

Attendee Cancellation Agreement

Per NM COVID restrictions PAPNM is required to limit the number of attendees at paint outs until further notice. If you sign up and are a no show you are potentially taking a spot away from another member who wanted to attend. A 24-hour notification to the paint out organizer would be appreciated for cancellations; simply cancel your registration using the instructions on the <https://www.papnm.org/Paint-Outs/> page. In case of a last-minute emergency, we kindly ask to please call the paint out organizer and let them know your status; we know "life happens".

*In checking the cancellation agreement box, you have agreed that you will try to notify the organizer or will cancel your registration personally.

Thank you from your Board of Directors
