Building on the principals of how light works in the natural world, Michelle will help you go beyond creating a basically good painting, to giving your paintings life and expression, and helping you to find your own voice.

All mediums are welcome. Michelle is an oil painter who paints mostly with palette knives, creating impasto paintings. Two of Michelle's favorite quotes are:

- "Paintings are only good if they are good in the abstract sense." *Georgia O'Keeffe*, and
- "Painting on the edge of disaster." *Dana Hooper*, California Plein Air Painter
