This sheet contains two "Artistic Licenses" and your 2008 PAPNM Membership Card. Print it out and detach them along the dotted lines.

Place the "Licenses" where they will be visible to other PAPNM members at paintouts (or just to let others know you are a PAPNM member).

The Membership Card is an acknowledgement that your dues have been received. Print your name on the line provided. In the future, having the card may qualify you for discounts at various art related businesses.
